- 01. TL: Driftwood
- 02. CL: White Top Driftwood
- 03. M20: Walnut Series
- 04. PE16: *Contemporary*

Part of our esteemed ‘TL’ Total Office Furniture collection, the Driftwood series introduces a tranquil, nature-inspired aesthetic to your workspace. Each piece, reminiscent of sun-bleached driftwood, features a delicately textured finish that imbues your office with a sense of calm and understated elegance. The ‘TL’ Driftwood series seamlessly blends rustic charm with modern functionality, offering clean lines, intelligent storage, and a design that fosters both productivity and a connection to natural serenity. Elevate your office environment with the refined, organic beauty of the ‘TL’ Driftwood collection.

The Driftwood Office Furniture Series brings a serene, organic aesthetic to the modern workspace. Inspired by the weathered beauty of shoreline timber, each piece showcases a subtle, textured finish that evokes a sense of calm and natural sophistication. The collection's design balances rustic charm with contemporary functionality, featuring clean lines and thoughtful storage solutions. From expansive desks to versatile shelving units, the Driftwood series creates an inviting and productive environment, fostering a connection to nature while maintaining professional elegance.

M20-LC-2408 (BT22 Cabinet 6 door short , 94 x 16 x 31 WALNUT)

Less is More

The design of the PE16 embodies a minimalist aesthetic characterized by clear, assertive lines and well-defined angles, culminating in a presentation that conveys both stability and potent expressiveness..

PE 16 - ASSEMBLY OPEN SPACE

An L-shaped executive desk with a simple, clean tabletop, sharp edges and corners, and crisp lines. Its design avoids complex structures, relying on the basic geometric shapes formed by the tabletop and steel legs to create a comfortable and relaxed office environment.
